Assistant Professor of English

Department of Engineering,

Jiwaji University, Gwalior, Madhya Pradesh

The Liberal Kite

In my dream
Someone scream
When I was flying the kite
Once at night.

I open my sight
Lost command over the kite
It flies very high
I was on ground, it was in sky.

I raged then pleased
Joyous kite was out of seized
I recalled tiger in rage
Who enforced to live in cage.

Pretty kite danced in air
Angry tiger only stare
Liberal kite reached its edge
Apprehend tiger in his master cage.

Craving for getting free
Above the hundred degree
Angry tiger in rage
Ignoring the visitors outside of cage.

Finally I emphasized
Importance of liberty that I realized
Why human beings control others species?
Who permits us to curtail animals' liberties?

Perceptions of life define
Everyone has authority to enjoy and shine
As equality found in death or birth
In fact human being is not master of the earth.
