Poem

Life is too hectic
Wherever we move,
We find flame of fire,
Lighted by ourselves.

No, it is not so....
I have a criterion
To discriminate between right and
Wrong,
True and false,
But I'm confused, confounded
Who will plant roses along
My path?
Who will lead me on
Blossomed fragrant route?
I have been wriggling to shatter
Shackles I was bound.

Oh surbhi !
Be anand, dig inner into yourself,
To find the hidden secrets,
Think in calm
Whose gentle caress
Will blush you?

Whose whisper will make your
The symbol of shyness !

I have a faith in my star
But it went astray beyond my access,
Leaving far behind out of it orbit,
I am alone, beaten on the flattened
Path !

I have flames around me
Engulfed in smoke and fume
The sight around me is grim
But by no way, I lost my
Confidence,

I move on with more
Deliberate heart
For I have a hope
You will come to hold my hand
To lead me on the path where
You have planted the roses,
And they have made the
Route fragrant for me!
